

LE SUEUR COUNTY SOIL & WATER CONSERVATION DISTRICT

SOIL HEALTH PROGRAM 2025

Our Soil Health program offers a flat rate cost-share for cover crops and no-till/strip-till. Interested producers must commit to a minimum of at least 10 acres that are in a cropping rotation. Producers may rotate their contracted acres to other fields in order to accommodate their crop rotation and overall goals. All soil health contracts require a 3 year commitment to sign up. The SWCD can offer assistance with seeding recommendations, methods, rotations and equipment suggestions. Participants will also be notified of upcoming soil health related workshops.

GIVE US A CALL & SIGN UP TODAY!

Single Species Cover Crop: *up to \$45/acre
Multi Species Cover Crop: *up to \$50/acre
No-Till/Strip-Till: *up to \$20/acre

**dependent on funding source and
location in the county*
